**Explanation of Status Indicators**

Item/Code/Service	OPPS Payment Status
D	Discontinued Codes Not paid under OPPS or any other Medicare payment system.
J1	Hospital Part B services paid through a comprehensive APC Paid under OPPS; all covered Part B services on the claim are packaged with the primary "J1" service for the claim, except services with OPPS SI=F,G, H, L and U; ambulance services; diagnostic and screening mammography; all preventive services; and certain Part B inpatient services.
Q1	STV-Packaged Codes Paid under OPPS; Addendum B displays APC assignments when services are separately payable. (1) Packaged APC payment if billed on the same claim as a HCPCS code assigned status indicator "S," "T," or "V." (2) Composite APC payment if billed with specific combinations of services based on OPPS composite-specific payment criteria. Payment is packaged into a single payment for specific combinations of services. (3) In other circumstances, payment is made through a separate APC payment.
Q2	T-Packaged Codes Paid under OPPS; Addendum B displays APC assignments when services are separately payable. (1) Packaged APC payment if billed on the same claim as a HCPCS code assigned status indicator "T." (2) In other circumstances, payment is made through a separate APC payment.
S	Procedure or Service, Not Discounted When Multiple Paid under OPPS; separate APC payment.

\*\*These codes have comment indicator of NP = New code for the next calendar year or existing code with substantial revision to its code descriptor in the next calendar year as compared to current calendar year, proposed APC assignment; comments will be accepted on the proposed APC assignment for the new code.
